4. *General Standards for Granting a Variance: LDR 101-171(5)(a)*

Variances from the terms of this chapter shall be approved only if they will not be contrary to public interest. In order to recommend or authorize any variance from the terms of this chapter, all of the specific standards listed in LDR 101-171(5)(a) must be met. However, when all of the 5 conditions are not met, the planning & zoning committee may recommend and the city commission may make an exception and grant a variance when they believe that the granting of the variance will have minimum adverse effect on other citizens of Key Colony Beach or on the city. Approval of a variance under these conditions would require a favorable vote of 4/5 of the city commission. *This variance request was approved by the Planning & Zoning Committee, and met all five conditions, and requires a 3/5 vote of the commission for approval.*
